

Hi,

Agreement made on 21.01.2025 between Kilian and Olga for following services of apartment Sikupilli 8-313,

Dust, floor cleaning, fridge cleaning, bathroom floor, mirror, wc, washing machine if necessary,

Fixed price 120.- per month including key keeping.

Prepayment must be made before work, at least 24h.

Regular cleaning takes about 2.5 hours to keep health measures. Washing machine service takes about 1 h per one wash.

Prices as example for Estonia despite time use:

Fridge cleaning - 20 eur per 1 cleaning

Up to 30m2 apartment cleaning despite time - 50 eur per 1 cleaning

Washing machine - 10 eur per wash

The price I set is a humanitarian work price according local level, including babysitting service for you, your contacts and your customers. That's investment to your future life probably.

Work payment must be made to PayPal account olga.rozova82@gmail.com

If you have questions or need to clarify something, please ask to avoid misunderstanding 🙏

Please let me know if you accept agreement 1.02.2025-1.03.2025.

I kindly request a confirmation from you by 23.01.2025.

The agreement will be effective only until 1.03.2025, I think this completes my humanitarian mission in your life as in a life of your contacts or quests. By this date my investment into your lives is done.

It is up to you if you decide to accept agreement or not. I am open minded and concrete person. I have my own personal private life and family members.

Thank you 🙏😊

If you have questions, please ask.

As I also have other life and work tasks, this document is only between us two according the privacy and confidentiality to my proffession of an employee and employer agreement, as I also have been as psychotherapy service for children, can you imagine?

This document is a confidential in according to a health law and between 2 people, Kilian and Olga with no permission for use for other people or sources with the respect to Estonian and European laws

Thank you for understanding 🙏

Ps. If you need an additional blanket for your quests, you can buy it from second hand store, I think you are grown up person?

I am married person, you see?

About my family status to be clear on that point, since 2015. What do you know or support, it's about you and your relatives next to a little country side outside Frankfurt. I don't deal with any contractors to be on the same page.

Thank you 🙏

Some hints:

How do you understand cultural differences?

What is your level of anxiety 1-10

What is your level of sadness 1-10

What is your level of being able to ask questions before you make some actions 1-10?

With a full respect to my long experience in IT companies for your kind understanding that it is necessary to communicate and clarify or negotiate some particular topics for mutual understanding.

As I am extravert and emphatic person, being open to people due to my life experience and else.

***"

As an example another hint for your financial question,

2003 au pair work 5.000 nok per month plus kost og loji, which is about 500 eur +

2025, which is about the price mentioned not taking into the consideration inflation rate, symbolic price for the investment.

As you see we can talk only about money if this is the most important topic for you.
Can't help much with other topics then.

Every work must be paid.

Walking to and out of apartment 30 min
No garbage bin outside - additional payment for taking out a garbage

Cleaning work - xx hh

Before you ask I don't give any information

No question in written, no answer.

This document Time 1 hour

Consulting services according the price,
As any other support service in case people want to talk about money as for your requestor of your apartment, work and behavior.

If you support violence, it is your choice.

If you are renting out to cover the expenses than it is your business, I only offer the service, for your explanation.

Every person time is valuable, especially taken from own life with the decision to invest to some other people life, who probably might have mistaken in a life or have own reasons for behaving as they do, as one of the reasons effect of COVID-19 or effect of a war between Russia and Ukraine, or any other psychological reasons for manipulations or actions they perform.

Probably you might have an explanation for yourself at least for what is your plan or a goal with your actions.

As a specialist, I also try to support you,

I am not special, I am qualified specialist with certificate and papers.

Thanks 🙏

Greeting to your Eurovision heros.

Hope they take a contact with a psychotherapist especially Tatjana and her Monika Lewinski fat outfit.

Misuse of my generosity and kindness also cost, especially when I trust someone or someone uses my trust, as I am an private business keeper.

You can make an invoice to your requestor for the entertainment services or an appartement reparation.

If you don't have finances to pay for the service, don't request the service.

I am not a babysitter, in fact. That's my kind investment and generosity as of qualitifed specialist for such people.

Your uncle from Germany can keep his thoughts for himself or visit a psychotherapist. All the best.

Nice people 😊

Don't misuse my time. I am setting time myself.

You don't like you go your own way.
