Olga, how are you? I got back home alright. I feel so tired because of jet lag and the travel. I saw the photos that we took from Tallinn. Great reminders of the days!! It was just 2 weeks ago but I feel like it's been a while ago. After I got back home, all the moments from Tallinn and Helsinki seems so unrealistic and dreamy.. I miss you!Let me send you the photos that I took from Tallinn. Will you leave me your e-mail address?

with love
