

Politics in Russia

ехе одна дура, нашла дурака /

from Egorova and her colleague from FSB /ordered från Estland+UK órid/

+some other things they can make,

can you see Sofja?

what is of the most interesting spot for you here?

are you lesbian or straight?

do you have some health issues, eating disorder or some sexual issues, issues on some religious background?

issues of understanding of private life, something personal?

issues of understadning at all?

How to solve issues of understanding?

What is Faschizm?
