

**CHILDREN from TUNISIA**  
**EXPLANATION OF CHILDREN'S DRAWINGS**

**Drawing 1**

**Child (girl): Khadija BENAOUA (6 years)**

The sun's color changes,  
The weather becomes more cloudy and raining,  
The tree's yellow leaves fall down, Flowers are dying,  
The mouse is feeling cold that's why he is hiding under the mushroom,  
The man who feels cold also is going back home,  
After that the sun will return to its original color and everything will be all right no more rain, no more yellow leaves.

**Drawing 2**

**Child (boy): Cherif MESTIRI (10 years)**

In car accident, one of the rider's seats is ejected and then the rider gets down by parachute,  
The other rider's seat will jump out of the car.

**Drawing 3**

**Child (girl): Fatma MESTIRI (7 years)**

The sun become red,  
The weather is really windy,  
The houses and the cars evacuate smoke in the air.

**Drawing 4**

**Child (boy): Adel MESTIRI (11 years)**

Cars are flying like plane and floating like a boat,  
Planes roll on the road,  
There will be port for cars and boats,  
There will be parking for flying cars.

**Drawing 5**

**Child (boy): Sadok MESTIRI (7 years)**

The sky is dark; the weather is raining, windy and cold,  
The wind is so strong that the trees and houses are destroyed and planes are falling down,  
The human becomes a monkey like he was in the past.

**Drawing 6**

**Child (boy): Cherif MESTIRI (10 years)**

Sinking in the sea, cars can float on the water due to an inflated tyre (pneu).
