BECOMING A WITCH,

WITCH NASTJA ABOUT MAGICAL WOMEN, FEARS, AND CONFIDENCE,

Fortunately, the difficult past of such courageous women

the beloved winner of Estonia’s first season clairvoyant show Nastja,

Has a diploma of Tallinn University,

has Russian roots,

Her place within Estonian life and society with her diploma of higher education, the phrases she says,

It lives on through beloved cult films and literature,
creating strong female role models for today's modern women and girls.

For us, Estonians, witches are predominantly important,

Nastja feels that it is through writing that she comes to her knowledge
and believes that books are the best medium to share her knowledge
with the rest of the world.

"As a child, I always felt different. But when a child thinks that everyone else is the same then they can't possibly view themselves as normal",

When asked what she enjoys most about being a witch, the woman has a simple answer - writing.

Writing just came to me because I believe in it. I did absolutely nothing for it,

She shares more tendencies she has noticed during her consultations: 'People come prepared with various topics but often the first question is: 'What does this man think of me?' and the following question: 'What am I feeling for this man?''

HOW TO GET RID OF FEARS?

For Nastja, getting rid of fears begins with acknowledging them.

Only you are prepared to emotionally invest into dealing with your fears,

Nastja has a simple suggestion:

'When you feel a negative thought lurking, just picture it as a fly and kill it.'

Gorgeous lingerie absolutely elevates a woman's confidence and must be worn at all times.'

According to her, reading to ten out loud or praying also helps,
